

Ottomate

AI & AUTOMATION STUDIO

www.ottomateagency.com

AI AUTOMATION FOR GROWING BUSINESSES

Automate the busywork. Grow without hiring.

We build AI automations that reply to your customers in under a minute, chase unpaid invoices, book appointments, and run your operations 24/7 — so you save hours and never drop the ball.

WhatsApp AI assistant

Answers every customer 24/7 — never invents a price.

Instant lead capture

Reply in <1 min, qualify & win more deals.

Invoice reminders

Get paid faster — polite, automatic follow-ups.

Appointment reminders

Cut no-shows with 24h & 2h reminders.

Google reviews

More 5★ on autopilot — bad ones caught in private.

Reports & sync

No more manual data entry between your tools.

"Ottomate deployed our lead automation — we respond faster and we've doubled our revenue."

Maison237 · Real-estate developer

24/7

runs unattended

<1 min

reply to leads

30+

automations delivered

Free 30-min automation audit

We map your business and find the 3 automations that pay off fastest. No commitment.
